- **Self-Registration Enabled:**
Users with official government email IDs and recognised domains can directly register on the iGOT platform by selecting their respective organisation. No further approval is required.
- **Immediate Access:**
Upon successful registration, users get instant access to the platform and training modules.

B. Users without Government Email IDs

- **Manual Approval Required:**
Users without a government email ID can register, but their access will remain pending until approved by their respective Ministry/Department/Organization (MDO) admin via the MDO portal.
- **Steps for Users Without Government Email IDs:**
 1. Contact your MDO admin for registration and approval.
 2. The MDO admin will register the user on the iGOT platform.
 3. Once approved, log in to access the training content

3. Bulk Upload of IDs

- **For Ministries/Departments:** M/Ds may choose to bulk upload IDs for onboarding on iGOT through their MDO portal. Please contact your MDO Admin and/or KB representatives to initiate the process..
- **For Organisations:** Organisations attempting bulk upload of iGOT registration IDs, please follow one of the two methods:
 1. Organisations may bulk upload iGOT registration IDs through the existing MDO portal of their Ministry or Department.
 2. If your organisation does not have access to an existing portal, please contact your Karmayogi Bharat (KB) representative to help set up a new portal for your organisation to facilitate the bulk upload.
- **For MDO Portal Queries:**
 1. Nodal persons from your respective ministries/departments can assist with registration of private email IDs. Access the nodal contact list here:
<https://igotkarmayogi.gov.in/#/mdoList#mdoUserList>

2. **Karmayogi Bharat (KB) Representatives:** For i-GOT related queries, refer to [Annexure](#), for the ministry-wise KB representatives and their contact details.

- Complete registration and onboarding **at least 7 days before the training session**.
- Ensure all approvals (if applicable) are obtained in advance.
- **Nodal Officers** must ensure all participants log in to iGOT **1–2 days before the training** to verify credentials. Resolving registration issues on the day of the training may not be feasible.
