## Message from Chairperson, Capacity Building Commission

Constituted under Mission Karmayogi, The Capacity Building Commission (CBC) has been undertaking interventions to strengthen the civil service training ecosystem since its inception in April 2021. The Commission has been actively working for the continuous improvement of Civil Service Training Institutions (CSTIs).

The accreditation framework, 'National Standards for Civil Service Training Institutions (NSCSTI),' by CBC, not only set a baseline for training institutions but also set aspirational standards mapped to global best practices.

I am delighted to announce that we achieved a remarkable milestone of accrediting 100 institutions in April 2024. This demonstrates the collective commitment of the ecosystem to excellence. Congratulations to all the accredited CSTIs!

Achieving accreditation is not the endpoint; but lays a foundation for institutions to continually strive for improvement and innovation. Through the Quality Improvement Plan (QIP) the Commission aims to enable CSTIs to elevate their overall capacity for delivering high-quality training to civil service officials. I look forward to continued enthusiasm from CSTIs for accreditation and QIP.

## CBC Initiatives/ Events completed

### **DigitManthan: Workshop to Support Digitalization of Courses in Civil Service Training Institutions**

Capacity Building Commission hosted a workshop on 16<sup>th</sup> March 2024, at Vigyan Bhawan, with Karmayogi Bharat for 30 accredited Civil Service Training Institutions to support them in digitalization of eLearning courses. The Workshop aimed at imparting knowledge to build internal capacity of institutions for digitalization of courses, increase utilization of iGOT, and improve on the National Standards for Civil Service Training Institutions (NSCSTI).

At the workshop, the 24 institutions present committed to developing 78 domain specific courses. The Commission will support the institutions in digitalization of the courses selected by the institutions through the eLearning agencies empaneled by the Capacity Building Commission. CBC plans to continue hosting workshops on digitalization at regular intervals.

The Capacity Building Commission organised a two-day consultative workshop on the "Capacity Building Needs of Civil Services of India" at the **Lal Bahadur Shastri National Academy Of Administration** from 22nd to 23rd April 2024.

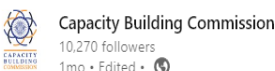

The workshop included the participation of leadership and senior faculties from the 25 Central Training Institutions (CTIs), the respective Cadre Controlling Authorities, and senior leadership from LBSNAA and the Department of Personnel and Training (DoPT).

The objective was to

1. Reimagine capacity building based on role-based competencies as envisioned by Mission Karmayogi.
2. Outline the vision for developing a globally benchmarkable civil service capacity-building ecosystem.
3. Explore how the impact of capacity building leading to enhanced performance can be measured
