Corrigendum 10: Cancellation of Tender

Subject: *Cancellation of Empanelment of Agencies for Developing E-learning Content for Various MDOs/TIs under Phase-II*

In continuation to the Rolling Advertisement dated 25.10.2024, published by the Capacity Building Commission (CBC) for re-opening of the empanelment of agencies for the development of e-learning content for various Ministries/Departments/Organizations (MDOs), it is hereby informed that the said empanelment process (Phase-II) stands cancelled.

2. The cancellation is necessitated due to the change in content format requirements by the iGOT (Karmayogi Bharat) platform, which is in process of phasing out SCORM-based content and mandated the use of MP4 format for future courses. The existing RFP(original) dated 27.05.2022 prescribed development tools and rates applicable only for SCORM-compliant content, and no approved rates or procedures presently exist for MP4-based content development under the said RFP.

3. In view of the above, and in accordance with Rule 173 of GFR 2017 and Section 9.17.4 of the Manual for Procurement of Consultancy and Other Services, 2022, the competent authority has decided to cancel the ongoing empanelment process under Phase-II.

4. Agencies that participated in the said process are informed accordingly.
